

## **Cabinet Maker**

**Capatina**

**Walkinstown, Dublin 12**

**Salary – Negotiable**

**Permanent/Full-time**

### **Description of Role:**

The Cabinet Maker position offers a challenging and rewarding opportunity for the right candidate to work on a team with highly skilled and dedicated craftspeople in a high end, expanding, design led, cabinetry manufacturing company. This role suits someone with a background in cabinet making and a desire to enhance their skills.

This is a varied, full-time role, involving days based at the workshop on furniture production in Walkinstown and out on site at installations. It will suit an individual with strong attention to detail, who works well under pressure and is open and flexible for overtime.

At Capatina, further training and professional development opportunities are offered in addition to competitive salary and benefits.

### **Qualifications & Experience:**

- Experience in cabinet making or third level qualification in Furniture Design making and technology or similar
- Enthusiastic and motivated to learn
- Responsible use of machines and tools / taking precision measurements
- Excellent time keeping and punctuality
- Able to use own initiative
- Good communication
- Strong team player with the ability to collaborate and integrate into a diverse team of colleagues
- Flexible and open to overtime

- Competent at reading and speaking in English
- A conversational Eastern European language would be an advantage
- Must be committed to offering first-class customer service to clients including tradespeople, architects, project managers, interior designers, and homeowners

### **Key Duties and Responsibilities**

- Contribute to the manufacturing process as required, ensuring that the manufacturing process is efficient and of the highest quality
- When based on site, to collaborate with other members of the team in the fitting of furniture to the highest standards, paying strict attention to detail and deadlines
- Ensure that the customer has a first-class experience

### **COMPANY DETAILS**

Capatina is a small, high end, design led, cabinetry manufacturing company. We are based in Walkinstown, Dublin, and are looking to expand our team. Using state of the art, precision tools, CAD software and CNC technology, we craft the finest quality bespoke furniture for commercial and domestic customers. Every item we make is unique. This is a terrific opportunity to join a team of highly skilled artisans, enhance your skills and develop yourself professionally.
